

MES will increase material inspections of incoming recycled materials, and reject contaminated loads to reduce and eliminate downtime, system contamination, and commodities contamination. Help Public Works deliver acceptable materials to recycling facilities and keep out the following items

Unacceptable Materials for Recycling Program:

ROPE	PLASTIC BAGS & FILM	ELECTRONICS
HOSES	STYROFOAM	ELECTRIC APPLIANCES
WIRE	HAZARDOUS WASTE	BATTERIES
BELTS	MEDICAL WASTE	AUTO PARTS
CLOTHING	FOOD WASTE	MOTOR OIL CONTAINERS
BLANKETS & BEDDING	YARD WASTE	CHAINS
DIAPERS	WOOD	LIGHT BULBS
TRASH	CERAMICS	HOME FURNISHINGS
